Turn up The Whole  
Corrupt Deal.

which bought the election of  
Lorimer, purchased the elec-

A sensational charge was made  
day morning during the investi-

is being conducted at the  
capital.

Investigating committee was  
at there are two witnesses  
are ready to testify that the  
combine which put up the  
\$100 for a corruption fund for

the election of Lorimer, did precisely  
the same thing for a number of sena-  
tors in other states.

The committee proposes to hear  
the statements of these witnesses  
and it is expected that a big sensa-  
tion will be exploded when the  
names of the other senators are men-  
tioned.

Injunction Forbidding Louis-  
ville to Enforce Rate Law.

Louisville, Ky., April 26.—By mak-  
ing permanent an injunction to re-  
strain the city of Louisville from  
putting into effect ordinances call-  
ing for reductions in telephone rates,  
the federal courts here decided in  
favor of the Cumberland Telephone  
& Telegraph Company in its long-  
drawn-out fight with the city. The  
ordinances fixed the maximum busi-  
ness telephone rate at \$5.50 a month  
as against a charge of \$7.50. The  
telephone company claimed the rate  
as fixed by the city was confiscatory,  
and in this way sustained by the  
court.
